THERE'S TOO MUCH AT STAKE!

MORE THAN 100 YEARS OF COMBINED LEGAL EXPERIENCE

Founded in 1987 by attorneys Ronald W. Brooks (ret.) and Dean R. LeBoeuf, the firm today includes eight attorneys who work tirelessly for clients. We have attorneys licensed to practice in Florida, Georgia, Mississippi, Alabama, Tennessee and Texas.

As trial attorneys we are committed to defending the legal rights of you and your loved ones, and we fight relentlessly to prove there is JUSTICE FOR ALL.

We limit our civil litigation practice to representing the rights of individuals who have been injured due to the negligence of another person or entity, and defending the rights of the accused in criminal cases.

If you, or someone you know, is faced with a legal situation, THERE'S TOO MUCH AT STAKE. It is important to protect your legal rights. We urge you to talk with an experienced lawyer who understands and can help you pursue the very best outcome in your case.

CIVIL LITIGATION

We represent victims in settlements and lawsuits involving serious personal injury and wrongful death. These are cases resulting from a wide range of causes, including vehicular, motorcycle and bicycle accidents, rape/assault, healthcare negligence and malpractice. The firm also represents victims of abuse, neglect or exploitation resulting in serious injury or death against nursing homes, healthcare providers, day care centers and schools.

Our team also represents individuals who have been denied important insurance benefits. This includes claims or denials of all types: homeowners, automobile, personal injury protection (PIP), Long and Short Term Disability and life insurance.

Additionally, we handle family law cases including divorce, pre-nuptial agreements, child custody and adoption. We also represent victims of employment discrimination.

Remember, we offer a free initial, no obligation consultation with an attorney. No fees or costs are charged if we are not successful in your case.

Additionally, in-house legal counsel is available for matters regarding wills, estate planning, will contests, trusts and probate.

CRIMINAL DEFENSE

Our criminal defense team takes great pride in their experience, commitment and passion defending those who have been accused of a crime. A criminal charge is a serious matter and should not be taken lightly. It is extremely important to know your legal rights and understand the possible consequences. A criminal history could affect your future.

We represent clients in misdemeanor and felony cases involving DUI, traffic offenses, suspended licenses, drug charges, juvenile offenses and probation violations. Additionally, we handle appeals in all areas of criminal law.

Our firm aggressively handles cases in a manner that will minimize the consequences of an arrest while providing clients with an affordable criminal defense. The right lawyers can make a difference!

Every case is different. Details of each case can affect the fee associated with legal representation. New clients receive a free initial, no obligation consultation with an attorney. We also accept most major credit cards and make payment plans available.
